

The IEEE International Conference on  
Signal Image Technology & Internet  
based Systems

# SITIS 2006

## Important Dates

Proposals for Tutorials	September 9, 2006
Paper Submission	September 09, 2006
Notification of Acceptance	October 15, 2006
Final Version	November 03, 2006

## Track Organizers

### Track I

Harald Kosch (U. Passau, Germany)  
Vincent Oria (NJIT, USA)

### Track II

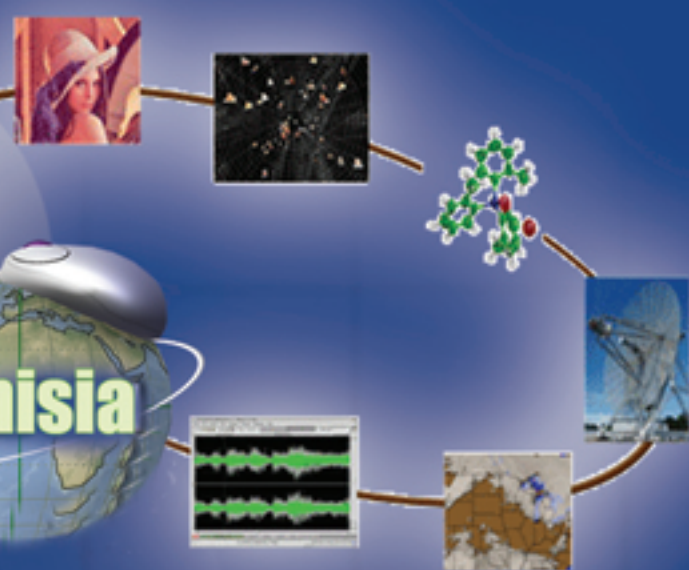

Esma Aimeur (U. of Montreal, Canada)  
Djamal Benslimane (U. Lyon, France)  
Javier Lopez (U. of Malaga, Spain)  
Zakaria Maamar (U. of Zayed, U.A.E)  
Manuel Nunez (U. Comp.de Madrid, Spain)

### Track III

Peter Schelkens (Vrije U. Brussel, Belgium)  
Louis Legrand (U. of Bourgogne, France)

## Local Arrangement Comitee

Faiez GARGOURI, ISIMS-Tunisia  
Mouez ALI, FMS - Tunisia  
Yassine AYADI, FSS - Tunisia  
Bassem BOUAZIZ, ISIMS - Tunisia  
Mohamed MHIRI, FSEGS-Tunisia  
Salah WERDA, ISIMS - Tunisia  
Boulbaba BEN AMOR ECL - France

## Track I Information Management & Retrieval Technologies

Data Semantics  
Spatial Information Systems and Applications  
Multimedia and application  
Information security

## Track II Web-Based Information Technologies & Distributed Systems

Information System Interoperability  
Emergent semantics  
Distributed, P2P, Mobile System  
Web-Centric Systems

## Track III Image-Signal Session

Signal processing  
Image Processing and Analysis  
Image/Video Coding and Authentication  
Signal processing  
Applications
